# HISTORY OF THE DUROC-JERSEY SWINE

It seems to be well authenticated that the exact origin or early history of the Red Hog, now recorded as Duroc-Jerseys, is not positively known. Many are of the opinion that they are purely American bred, while we have gathered much information pointing toward stock that was imported at an early date, of which we will make mention later on in this work.

It is a fact now generally conceded by all who are interested in this popular breed of swine, that there were two families of them, some years ago, one known as Jersey Reds and the other as Durocs.

## JERSEY REDS.

The name Jersey Reds was probably given to this family by Joseph B. Lyman, about thirty-seven years ago, who at that time resided in New Jersey, and was the Agricultural Editor of the New York Tribune. Previous to this period they had been called Red Hogs. Mr. Lippincott, of New Jersey, was the first person to advertise these hogs as Jersey Reds.

We find in Clark Petit's History of Jersey Reds, that in the year of 1832, there was a pair of Red pigs shipped from Spain to Salem, New Jersey, and he says "that their unique color at once rendered them objects of special interest in a locality long noted for successful swine breeders and feeders, among whom had long existed a great spirit of rivalry, as to whom should annually win the honor of raising the best lot of hogs, making the greatest average weight at different ages, for which leading Philadelphia butchers paid advanced price." It was soon noticed that the offspring of the Reds universally proved to be quick, profitable feeders almost invariably outweighing those of other breeds at like ages. Much of the superiority undoubtedly arose from their pre-eminent constitutional vigor and consequent capacity to properly assimilate their food.

The hogs bred in New Jersey attained great size, as will appear from the following weights made at different ages:

| | | | | |
|---|---|---|---|---|
| 30 hogs, | 22 | months old, averaged..... | 686 | pounds, dressed. |
| 18 hogs, | 22 | months old, averaged..... | 734 | pounds, dressed. |
| 23 hogs, | 20 | months old, averaged..... | 639½ | pounds, dressed. |
| 34 hogs, | 17 | months old, averaged..... | 565 | pounds, dressed. |
| 51 hogs, | 17 | months old, averaged..... | 520 | pounds, dressed. |
| 17 hogs, | | months old, averaged..... | 862 | pounds, dressed. |
| 20 hogs, | | ..... averaged..... | 862 | pounds, dressed. |
| 20 hogs, | | ..... averaged..... | 882 | pounds, dressed. |
| 25 pigs, | 8 | months old, averaged..... | 413 | pounds, dressed. |
| 16 pigs, | 7 | months old, averaged..... | 278 | pounds, dressed. |
| 20 pigs, | 6½ | months old, averaged..... | 280 | pounds, dressed. |

This list could be much extended, but we deem this sufficient to show an idea of the size the Jersey Reds attained and the feeding qualities they possessed.

Twenty-four years ago, old men in Burlington and adjoining counties, New Jersey, could not remember a time when there were not Red Pigs, neither could they

tell where they came from. Mr. Brown, of Windsor, N. J., said he had seen them bred with uniformity of great size fifty years ago.

## DUROCS.

In giving the history of this family of Red Hogs, we have no better authority than is given in Vol. 1 of our records and which is substantially as follows:

The Duroc family of Red Hogs were so called by Isaac Frink, a prominent farmer living in the town of Milton, Saratoga County, N. Y. In the spring of 1832, Mr. Frink took a mare to the noted stallion, Duroc, then owned by Harry Kelsey, in the town of Florida, Montgomery County, N. Y., about 25 miles away. There he saw a litter of ten red pigs, the production of a pair of red pigs brought the year before by Mr. Kelsey, from Oyster Bay, Queens County, N. Y., or imported by him from England. He moved from Oyster Bay to Florida. In regard to the importation of the pigs, the history is not authentic, although Mr. Kelsey told Mr. Frink that they were imported, but the term imported may have been improperly used, as is often the case, even at this late date.

In searching history we find that the produce of these pigs was much sought after, and assumed the name after Mr. Kelsey's famous horse, "Duroc." They spread all through the New England States, and became very popular on account of their great qualities, which we shall hereafter discuss.

In 1830, Wm. Ensign, of Wilbur's Basin, in the town of Stillwater, Saratoga County, N. Y., brought a pair of Red Pigs from Connecticut and the next year he got a few more from the same place. He bred and sold them far and near. Saratoga County was a lively "pork district" in those days, and great interest was taken in the breeding of hogs. The Frink and Ensign families of red hogs were crossed and the breed established. They have been bred ever since, with more or less care and effort at keeping them thoroughbred, but no fixed type or standard was followed (except individual ones). These hogs, according to what information we can gather, possessed most of the characteristics of the Jersey Red family, except they were not so large and were rather finer boned, and no doubt were quite profitable feeders and producers of pork.

Ex-President Thos. Bennett, of Rossville, Ill., furnishes us with some reliable evidence, which comes through a correspondence with the Hon. Cassius M. Clay, of White Hall, Ky. The honorable gentleman says: "The Spanish Red hogs were imported by Hon. James B. Clay, from Spain or Portugal, when minister to Lisbon, under Zach. Taylor in 1850. He gave me a pair of pigs the progeny of which I widely distributed, they being such very fine hogs, easily fattened, and the best hog known at that time. Being such noted hogs, it is no wonder they found their way to New York, New Jersey and all eastern and southeastern states."

It is not saying too much when we (the Red Hog breeders), say that they were the foundation stock of that most popular breed of swine, "Poland-Chinas." The Hon. L. N. Bonham, in one of his histories of said breed, in searching to find out how they came to be named "Poland-Chinas," says that "there was an old Polander who had a herd of very fine hogs, said hogs were the produce from a China sow and a Jersey Red boar. So admired were they, and so noted did they become, that they were named after the breeder (Polander), and the sow (China), hence the name Poland-China. It is a fact that the Poland-China, years ago, had red or sandy spots on them, and not very small ones either, and even at the present time some of the best pedigreed Chinas breed sandy spots." Mr. Bennett says: "In the fall of 1889, I went to see one of the best herd of Poland-Chinas in Illinois, and there saw a

boar good enough for any one. He was bred in Ohio and bought at a big price. As I was looking him over, the proprietor said: 'There is only one fault with that hog,' 'What is that?' I asked, and in reply he said: 'Some of his pigs have sandy spots on them.' This is no doubt due to the fact that, after years of careful breeding, the old characteristics will continue to crop out."

The general appearance of Duroc-Jersey swine has been greatly improved of recent years, but in accomplishing this improvement we have not sacrificed any of the characteristics which made our breed so popular. We still think they are the most prolific of all breeds, which statement is substantiated by a report from one of the leading Experiment stations for 1912 when their 13 Duroc-Jersey sows farrowed 132 pigs and raised 101, their 12 Berkshire sows farrowed 103 pigs raising 82, and 6 Poland-China sows farrowed 43 pigs and raised 29. We think it is safe to estimate that the Duroc-Jersey litters will average 10 pigs.

The pigs are strong at birth, and the sows and pigs very seldom need any attention at that time. They almost invariably impart to their offspring their wonderful prolific breding qualities, are good quiet mothers, supplied with a generous flow of milk, raise large even litters, and other breeds when crossed with them are greatly improved in vigor as breeders and feeders.

Below we give some extracts from a test at the Experiment Station of the Agricultural College at Michigan.

The breeds represented were the Duroc-Jersey, the Berkshire and the Poland-China, two of each and all barrows.

The pigs were weighed every fourteen days during the experiment and the gains or losses noted and compared with the food for the period, viz.: from July 16, 1889, to Jaunary 31, 1890—168 days.

It was seen that the two Duroc-Jerseys gained in weight from the beginning. Though as fleshy as any specimens, they were still making excellent gains and were feeding well at time of slaughter. Their average gain was 36.25 pounds per period, or 2.59 pounds per day, secured at a cost of 4.65 pounds of grain for each pound of gain in live weight.

The average gain made by the two Berkshires was 29.16 pounds per period, or 2.11 pounds per day secured at a cost of 5.22 pounds of feed for each pound of gain.

The average gain per period of the Poland-Chinas was 25.91 or 1.85 pounds per day, secured at cost of 5.87 pounds of feed for one pound of gain.

The meat of the different breeds was cooked and tested, and it was the unanimous opinion of those who ate of the meat that that from the pigs making the best gains at the time of slaughter was the most tender and juicy, the sweetest and best. This was the pork of the Duroc-Jersey.

In competition with other breeds in the show ring in a very large majority of cases, the Duroc has come off the winner. Notably at the Illinois State Fair, twice within the past three years a pair of Durocs has won the premium offered by a well known wagon company, all breeds being in the contest.

At the nearest calculation 75 per cent. of the hogs reaching the principal hog centers carry the "red blood," that is, are Durocs or Duroc blood predominates.

More than 75 per cent. of the public swine sales are sales of Durocs. which shows the spirit of enterprise that is backing up the breed.

No breed of swine has been brought to its present perfection, in so short a time as the Duroc, and no hog is as popular with the breeder, the feeder or the packer as is the Red Hog.

Do you want the kind that grows right and sells right? Then breed the Durocs.

In compliance with the instructions of the stockholders at their annual meeting in Chicago in December, 1911, the articles of Incorporation and By-Laws were corrected as appearing in the minutes of this meeting as follows:

## ARTICLES OF INCORPORATION.

### Article I.

The name of this Corporation shall be THE NATIONAL DUROC-JERSEY RECORD ASSOCIATION. It shall commence business on the 30th day of December, 1891. It's principal place of business shall be at Peoria, Illinois, and duration of this Corporation shall be 99 years.

### Article II.

The object of this Corporation shall be the establishment, maintenance and publication of a pedigree record of Duroc-Jersey Swine, and the performance of such other acts, incidental and supplementary thereto, as will, in the judgment of such Association best promote the breeding and improvement of said breed of Swine.

### Article III.

The Capital Stock of this Corporation shall be one hundred thousand dollars ($100,000,00) divided into ten thousand (10,000) shares at par value of ten dollars ($10.00) each.

### Article IV.

The indebtedness of this Corporation shall not at any time exceed 15% of the paid up capital stock. The shares of stock of this Corporation are declared to be non-assessable, and transferrible only on the books of the Corporation upon the payment of a fee of one dollar ($1.00), and the Secretary shall not sell or transfer to any person or firm, more than one share of stock. Each purchaser or transferee shall be a reliable breeder of Duroc-Jersey Swine.

### Article V.

The Secretary of this Corporation shall not be a breeder of Duroc-Jersey Swine, nor directly or indirectly interested in the breeding of Duroc-Jersey Swine.

### Article VI.

No stockholder shall be eligible to the office of President for more than two successive years.

### Article VII.

The Board of Directors shall consist of six (6) members, and shall be divided into three (3) classes of two (2) members each, and they shall be elected by ballot at the annual meeting of the stockholders of this Association for the year 1912. The members of class one (1) being elected for one (1) year; the members of class two (2) being elected for two (2) years, and the members of class three (3) being elected for three (3) years, and thereafter at each annual meeting two (2) directors shall be elected for the full term of three (3) years.

### Article VIII.

The Officers of this Corporation shall consist of the President, the First Vice-President, the Second Vice-President, the Secretary and the Treasurer, who shall

assume their offices at the close of the annual meeting, except the Secretary and Treasurer, who shall assume their offices on January 1st, following their election. The said officers shall perform the duties required of said officers, in like Corporations, and by and under the laws of the State of Illinois.

ARTICLE IX.

The annual meeting of this Corporation shall be held at a time and place agreed upon by the Board of Directors; notice thereof to be mailed by the Secretary to the last known post-office address of each stockholder at least thirty (30) days prior to the date of such meeting, at which time the stockholders shall elect a President, a First Vice-President, a second Vice-President, Secretary and Treasurer. At the annual meeting, each stockholder shall be entitled to one (1) vote for each share of stock owned by him thirty (30) days prior to such meeting.

ARTICLE X.

Immediately upon the final adjournment of the stockholders annual meeting, the Board of Directors of this Association shall meet and transact such business as may come before them.

ARTICLE XI.

The Board of Directors shall choose from their number an Executive Committee of three members who shall have charge of the admission of the pedigree for record, under such regulation as may be established by the Board of Directors, and who shall also examine the books of the Secretary and Treasurer prior to the annual meeting of the stockholders at which meeting a report of the condition of said books shall be made to the stockholders and such other duties as may be required of them.

ARTICLE XII.

A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of said Board.

ARTICLE XIII.

Five stockholders shall constitute a quorum at all annual or special meetings of this Corporation for the transaction of any business connected with this Corporation.

ARTICLE XIV.

These articles may be altered or amended at any regular meeting by two-thirds vote of the members present, except article five, which will require a two-thirds vote of the stockholders of the Corporation, either by person or proxy to change.

ARTICLE XV.

Should any member knowingly impose a fraudulent pedigree upon this Corporation, or knowingly misrepresent any material fact as to age, breeding or ownership of any animal, while the same is being exhibited at any fair, or offered for sale at any place, he shall be tried by the Board of Directors upon due notice, and written charges filed, and if found guilty, shall thereupon be expelled from membership in this Corporation, and all his rights therein forfeited on the repayment or tender to him of the par value of his stock in this Corporation, and said member shall not thereafter be allowed to record another animal in the National Duroc-Jersey Record Association. Said trial shall be conducted under such regulations as may be adopted and promulgated in the by-laws of this Corporation, and,

the result thereof, shall be published in the proceedings of this Corporation for the protection of its members.

## BY-LAWS.

SECTION 1.—All honorable persons breeding Duroc-Jersey Swine, and having the same recorded, may become members of the Corporation by payment of the fees prescribed by articles of the Corporation, but no person shall own more than one (1) share at any time.

SECTION 2.—The President shall preside at all meetings of the stockholders, and the meetings of the Board of Directors. He shall sign all orders drawn upon the Treasurer, maintain a general over-sight over the affairs of the Corporation, and report to the annual meeting of the stockholders, and make such suggestions as he may deem advisable.

SECTION 3.—It shall be the duty of the Secretary to keep a correct record of the proceedings of all meetings of the stockholders, and Board of Directors, in a book furnished for that purpose. To receive all money due the Association and pay the same to the Treasurer, taking a receipt for the same and to draw and countersign all orders upon the Treasurer. He shall be the Executive officer of the Association—attending to the editing and publishing of the herd books, and transacting the correspondence and general business of the Association. He shall be under the direct orders of the Board of Directors, and Executive Committee, and annually, prior to the annual meeting of the stockholders, make a full report of all business and transactions for the previous fiscal year, and do and perform such other duties as may be required of him by the Directors.

SECTION 4.—It shall be the duty of the Treasurer to receive all money from the hands of the Secretary; keep an accurate account of the same, paying the same out only on warrants signed by the President and Secretary and countersigned by himself, and make a detailed report to the stockholders at the annual meeting, or at such other times as is required by the Board of Directors. The Treasurer shall at once deposit all money received by him in the name of the National Duroc-Jersey Record Association in such bank or banks as the Board of Directors shall designate; such bank or banks being required to furnish bonds for the repayment of such deposit.

SECTION 5.—Special meetings of the Board of Directors may be called upon the order of the President of the Association, or by the Secretary, upon a written request of three (3) or more members of the Board of Directors. Not less than five (5) days' notice shall be given of the time and place of such special meeting. The Board of Directors shall, at their annual meeting, fix the salaries for the ensuing year ,of the Secretary and Treasurer, and such other officers, agents or assistants as may be regularly employed by this Association. The Board of Directors shall require the Secretary and Treasurer to give bonds in sufficient amount to secure the National Duroc-Jersey Record Association from loss. The Board of Directors shall have power to fill all vacancies until the next annual meeting.

SECTION 6.—The registry fee shall be fifty cents (50c) on each pedigree recorded by the stockholders for all animals bred by or transferred to such stockholders, and one dollar ($1.00) for each pedigree recorded by non-stockholders. Animals two years old or over, to stockholders seventy-five cents (75c), to non-stockholders, one dollar and fifty cents ($1.50). In the event of a recorded hog

changing ownership, the purchaser must obtain a certificate of sale or transfer and forward same to the Secretary for record. If said certificate is not transferred within sixty (60) days of its date, a fee of twenty-five cents (25c) will be charged.

SECTION 7.—After selling an animal, either already recorded or represented to be eligible for record, the seller must furnish said pedigree and breeding certificate where necessary, within sixty (60) days after delivery of said animal, or seller may be suspended by Board of Directors from use of the records until said pedigree is furnished.

SECTION 8.—The Secretary and Treasurer shall, before January first after the annual election, give bond in the amount determined by the Board of Directors at their annual meeting, which when approved by the President, with the advice of the Association attorney, shall be filed with the President.

SECTION 9.—These by-laws may be altered or amended at any regular meeting, by a two-thirds vote of members present.

SECTION 10.—No dividend shall be declared on any stock received during the year for which such dividend is declared.

SECTION 11.—Whenever written charges are filed with the Secretary of this Association, as in Article XV, of the Articles of Incorporation provided, the Secretary shall transmit the same to the Executive Committee, who shall submit the same to the Board of Directors at such time and place as the circumstances of the case may seem to warrant or demand. When so presented to the Board of Directors the same shall be considered, and if, in the judgment of said Board, the taking of testimony shall be necessary, a time and place shall be fixed for the taking of such testimony, the hearing of which shall be delegated to a Committee from the Board, and at least thirty days' notice thereof must be given the member against whom charges are thus preferred, and to all parties concerned, at which time and place said member, if he so desires, may appear in person or by attorney, and offer testimony and make his defense. The testimony so taken, together with the recommendation of the Committee hearing the testimony, shall be submitted to the Board for final action thereon. The final action of the Board of Directors in such case shall be determined by ballot, and it shall require the affirmative vote of at least four (4) members of the Board to authorize the expulsion of a member so charged and tried; said vote to be entered upon the minutes of the Board, and the Secretary of this Association directed to notify such expelled member of the Board's decision, and of his expulsion from this Association, and the forfeiture of all rights and privileges therein, tendering such expelled member at the same time the par value of his stock in this Association.

SECTION 12.—Upon the discovery of an error in a recorded pedigree or any fact, bearing upon it which would have rendered that pedigree ineligible to record, the same shall be cancelled and stricken from the record.

SECTION. 13—Should any member file written charges against a breeder who neglects or refuses to furnish necessary pedigrees or other papers for hogs sold, such charges shall be investigated as provided by Article 11 of the By-Laws, and if sustained, the person convicted shall be refused the right thereafter to record any pedigrees in the National Duroc-Jersey Record Association."

No further business appearing before the Board of Directors, they adjourned subject to the call of the President.

ED. A. BAXTER, President.
J. R. PFANDER, Secretary.
